## SLAP, WRAP AND GO!

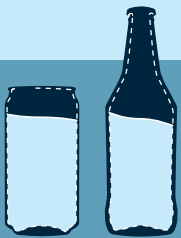

Spot Colour  Available in quality **5mm** neoprene

The "Slap, Wrap and Go!" stubby holder starts out flat, but with its unique internal construction it quickly wraps around almost any sized beverage container when lightly slapped against its surface. "Slap, Wrap and Go!" insulators are lightweight, colourful, attractive and durable. The flat design allows for efficient storage and freighting - the perfect product for mail-outs, events and product promotions.
